BEHAVIOR SPECIALIST II

General Purpose:
A Behavior Specialist II is responsible to the County Superintendent and works under the direct supervision of the designated manager(s). The Behavior Specialist II provides consultative and direct instructional and behavioral services to students with severe disabilities, including autism spectrum disorders and emotional disturbances, as well as to students in general education settings. The Behavior Specialist II conducts Functional Analysis Assessments (FAA), develops Behavior Intervention and Support Plans, and provides in-service and on-site training to staff on implementation of evidence-based instructional and behavioral management strategies.

Essential Functions and Responsibilities include the following. Other duties may be assigned as required:

- Conducts Functional Behavior Assessments (FBAs) for the purpose of developing Behavior Intervention Plans (BIPs).
- Coordinates activities for the purpose of implementing behavior intervention plans and behavior support plans, including designing measurable goals and objectives with strategies for meeting them.
- Maintains and follows through on plans for the purpose of assisting in the training of students, family, district and special education staff in the use of behavior intervention and instructional strategies designed to assist students in learning replacement behaviors and generalizing skills across settings.
- Works with district and special education staff in developing data collection systems, monitoring data collection, and analyzing data to ensure the effectiveness of interventions and instructional strategies.
- Provides technical support and training in applied behavior analysis including discrete trial training, establishing classroom schedules, overall classroom management, and the implementation of specific instructional and behavioral strategies in the students' natural environment.
- Participates in the Individual Education Plan (IEP) process as a member of the IEP team by presenting oral and written information and providing input.
- Notifies case manager, completes and sends appropriate forms to parent or case manager, prepares report and provides copies to case manager, drafts goals, updates present levels and progress; when assessment or IEP is required in advance of IEP.
- Contacts parent and case manager and obtains a signed excusal from when unable to attend an IEP meeting.
- Coordinates and guides in-class support provided by behavior aides and outside agencies.
- Participates in professional growth activities such as conferences, classes, staff meetings and program visitations.
- Provides regular fidelity reviews to ensure ongoing compliance with implementation of behavior plans and classroom management strategies.
