EDUCATIONAL AUDIOLOGIST I, II & III

General Purpose:
An Educational Audiologist is responsible to the County Superintendent and works under the direct supervision of the designated manager(s). The Educational Audiologist provides audiological assessments and aural rehabilitation to students as part of the Individualized Education Program (IEP) team.

Essential Functions and Responsibilities include the following. Other duties may be assigned as required:

- Performs assessments and consultation regarding auditory functioning.
- Performs electroacoustic checks of personal hearing aids and frequency modulation (FM) systems twice yearly.
- Plans and records monthly work schedule in electronic calendar (Outlook) at least 30 days in advance and records any changes as they occur to ensure accurate IEP scheduling.
- Performs aural rehabilitation therapy.
- Coordinates and facilitates maintenance of auditory equipment.
- Monitors students’ use of hearing technology.
- Performs assessment of educational environments.
- Provides consultation and in-service to staff and parents recommending referrals and resources, appropriate equipment, its functioning and maintenance, and the educational needs of hearing impaired students.
- Evaluates effectiveness of amplification in the educational setting.
- Performs minor repair of equipment.
- Provides loaner hearing aids and/or FMs.
- Assists in coordination between the department, outside audiologists, and medical practitioners to interpret the audiological/medical/educational needs of students.
- Assists in providing follow up for medical/audiological appointments.
- Works jointly with Program Specialist, Deaf and Hard of Hearing (DHOH) to ensure an appropriate and consistent auditory training program for students.
- Collaborates with IEP team members in regards to the students’ progress.
- Notifies case manager, completes and sends appropriate forms to parent or case manager, prepares report and provides copies to case manager, drafts goals, updates present levels and progress; when assessment or IEP is required in advance of IEP.
- Prepares appropriate referrals, reports and other forms as needed.
- Assists districts in protocol, laws, and regulations regarding the process of diagnosis of hearing loss.

Minimum Qualifications:

Employment Eligibility:
- Successful candidate must provide proof of employment eligibility and verification of legal right to work in the United States in compliance with the Immigration Reform and Control Act.
