LEAD MAINTENANCE CUSTODIAN

General Purpose:
A Lead Maintenance Custodian is responsible to the County Superintendent and works under the supervision of the designated manager(s). Plans, coordinates and monitors the cleaning of all Placer County Office of Education (PCOE) facilities. The Lead Maintenance Custodian coordinates the custodial aspects of evening use of facilities by the community; working in conjunction with all site administrators to establish, implement and monitor cleaning standards, frequency of tasks, levels of service and staffing, to ensure all facilities are meeting those levels of service.

Essential Functions and Responsibilities include the following. Other duties may be assigned as required: In conjunction with the designated manager;
- Plans, organizes and coordinates daily custodial activities.
- Develops and prepares work schedules and adjusts schedules as necessary; prioritizes and coordinates duties and assignments of custodial staff; assures effective workflow and facilities operations.
- Coordinates the assignment of substitutes to cover custodial vacancies.
- Organizes and oversees custodial training activities on a regular basis.
- Acts as a source to custodians regarding work methods, procedures, and work situations.
- Develops, reviews, monitors, and revises cleaning procedures, standards and methods to assure efficiency, cost-effectiveness, and compliance with established regulations, policies, and standards.
- Communicates with site administrators, personnel, and others regarding supply and material requisitions.
- Reviews site work requests to determine staffing levels, time and material requirements.
- Performs site visits to inspect work for accuracy and compliance with instructions and established standards. Site visits will cover all shifts.
- Plans, schedules, and coordinates the long-range and deep cleaning programs.
- Establishes maintenance work order requests as required.
- Responds to emergency calls.
- Processes custodial supplies and material requisitions through the warehouse; documents inventory levels on vehicles and sites.
- Operates warehouse equipment, i.e., pallet lift, appliance dollies, and portable ladders.
- Performs and/or directs the routine maintenance of custodial related equipment.
- Performs scheduling/tracking of custodial related equipment.
- Performs cleaning duties when necessary or assigned.
