OCCUPATIONAL THERAPIST I, II & III

General Purpose:
An Occupational Therapist is responsible to the County Superintendent and works under the direct supervision of the designated manager(s). The Occupational Therapist provides training and consultation to staff and parents and/or direct services to assist individuals with conditions which are mentally, physically, developmentally or emotionally disabling to benefit from their basic educational program.

Essential Functions and Responsibilities include the following. Other duties may be assigned as required:
- Responds to request for service and assesses individuals to determine eligibility.
- Gathers and interprets data to evaluate student needs as a basis for treatment planning.
- Plans and records monthly work schedule in electronic calendar (Outlook) at least 30 days in advance and records any changes as they occur to ensure accurate IEP scheduling.
- Interprets evaluation findings to parents and the Individual Education Plan (IEP) and instructional teams.
- Collaborates with IEP team members in regards to the student’s progress.
- Notifies case manager, completes and sends appropriate forms to parent or case manager, prepares report and provides copies to case manager, drafts goals, updates present levels and progress; when assessment or IEP is required in advance of IEP.
- Develops intervention plans including measurable goals and objectives with strategies for meeting them.
- Contacts parent and case manager and obtains a signed excusal form when unable to attend an IEP meeting.
- Coordinates intervention plan with parents and other members of the instructional team.
- Implements plan directly or through training and supervising parents, instructional personnel and/or certified occupational therapy assistant.
- Monitors student response to intervention and modifies strategies as indicated to attain goals.
- Identifies and evaluates design adaptive equipment to assist students in self care and academic activities.
- Provides training, direction and supervision for ancillary staff as assigned.
- Develops appropriate home or community programming to maintain and enhance the performance of students in their natural environments.
- Recommends termination of service when benefit has been achieved.
- Collaborates with peers in developing recommendations for protocol and procedures.
- Assists in developing transition plans for students moving to other environments.
- Works cooperatively with personnel from the student’s district of residence and/or agencies providing services to the student or family.
- Participates in professional growth activities in special education and in pediatric occupational therapy.
- Adheres to policies and procedures of Placer County Office of Education (PCOE), Placer Special Education Local Plan Area (SELPA) and assigned school districts and sites.
In addition to the above, Essential Functions and Responsibilities of an Occupational Therapist III include:
